

## Welcome to Bishopswood

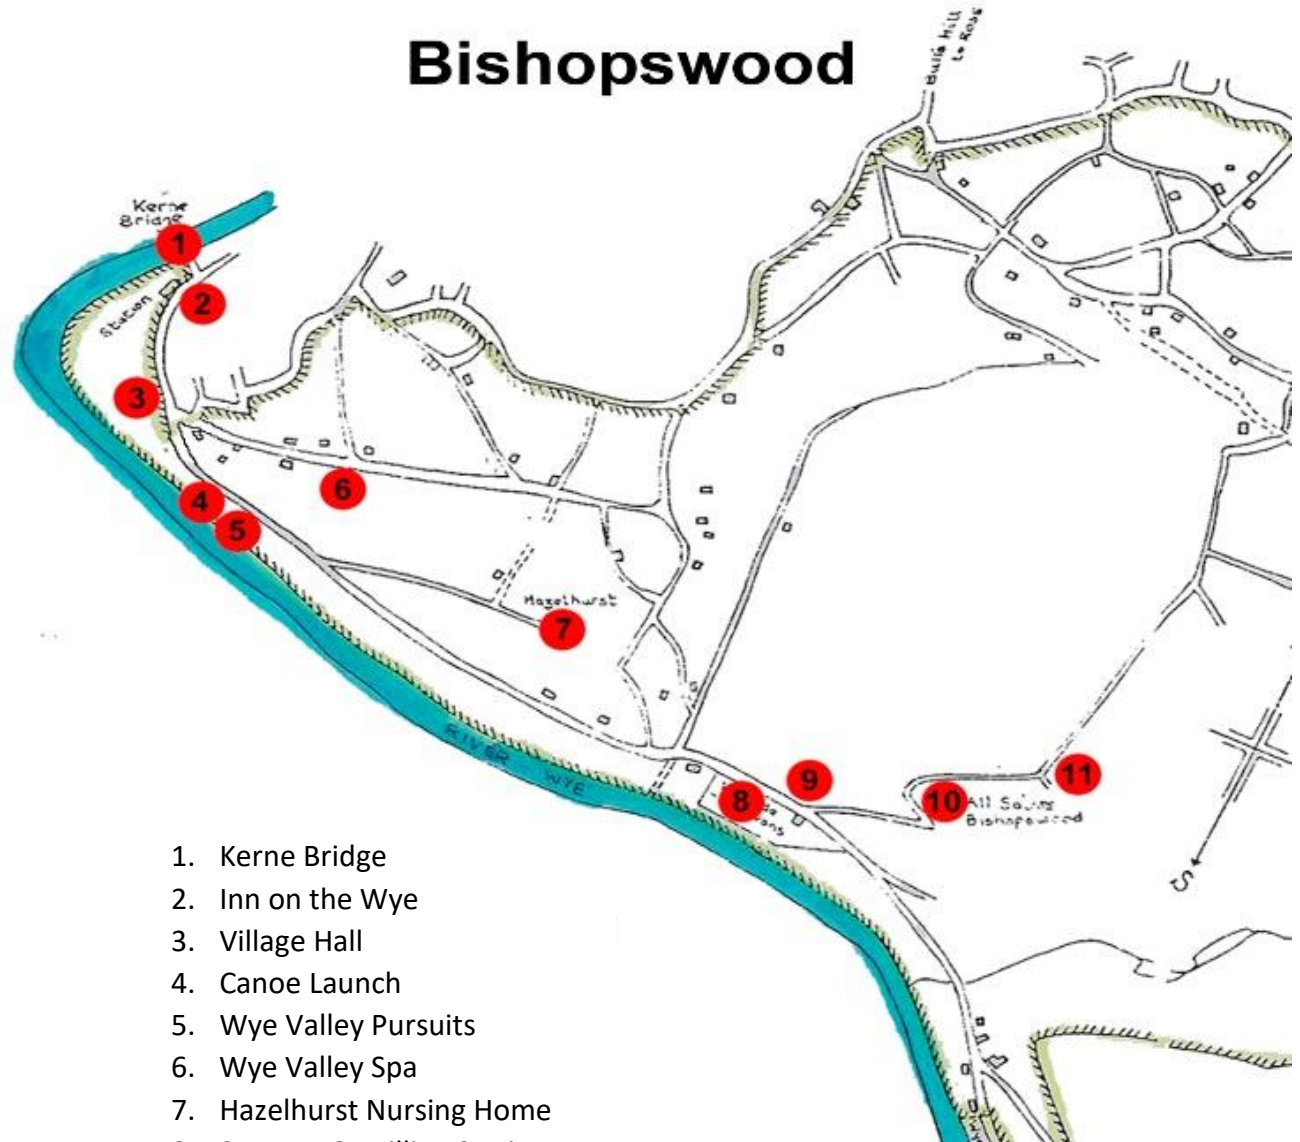

...and a very warm invitation to enjoy the many activities taking place in our friendly and busy community.

To find out more about our village and community visit the village website at [www.bishopswoodvillage.co.uk](http://www.bishopswoodvillage.co.uk)

Despite the scattered dwellings and small population of around 400, Bishopswood is a surprisingly active community.

We are well served with a popular Inn and Hotel, a combined Village Store, Post Office and Filling Station, a delightful church, a modern well-equipped hall, a canoe launch and even a Spa!
